

10 (Courses) to 3 (Years)* Pathway

Description and Purpose:

The 10 Courses to 3 Years* Pathway is designed to provide highly motivated high school students the guidance necessary to complete enough AP, TMU Dual Credit, or other dual credit opportunities that would help students to advance to Thomas More University with almost an entire year's worth of college credit already completed.

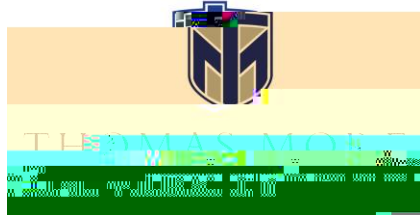

*However, while this guide provides a path to complete up to 10 courses (30 credit hours) before attending Thomas More, it may not eliminate time to degree. Certain majors have requirements that will require four or more years of study. Additionally, this pathway does not account for students who may change their majors in college or the exact transferability of specific courses from another institution to TMU. The TMU Dual Credit program also advocates for students to use extra time in college to pursue

Math	1	MAT 123, 124, 143, 151, 205	AP Calculus AB or BC, or AP Statistics (Score 3+)	Calculus or Statistics
Social Science	1	CRJ 105, 155C, ECO 105, LAW 105, 155, POS 105, 155, PSY 105, 201, SOC 105	AP Government and Politics: Comparative, or AP Psychology (Score 3+)	Intro to Economics, Intro to Political Science, General Psychology, or Sociology

Part 2: Complete 4 additional core courses OR complete a Dual Credit Pathway

Option 1: Complete 4 courses of additional TMU Core Requirements

Core Requirement	Number of Courses Needed	TMU Course Options	
------------------	--------------------------	--------------------	--

Keep track of the courses completed (to be completed by the student):

Part 1: Core Requirements

List courses completed:

- 1) _____
- 2) _____
- 3) _____
- 4) _____
- 5) _____
- 6) _____

Part 2: Additional Core Requirements or Dual Credit Pathway

Note whether you completed option 1 or 2: _____

List courses completed:

- 1) _____
- 2) _____
